47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We all know a healthy market is a competitive one! Monopolies are not good for the American people! You are literally commissioned (FCC) to protect the people. We, the people, rely heavily upon mobile communications, and we need you to keep those communications protected. Do not consider companies more important than us, the people!
