FY 2018 Form 471 Application #: 181041917

Dear Ms. Dortch,

I am writing to respectfully request the FCC to grant a waiver of the Funding Year 2018 Form 471 deadline so that our Form 471 E-rate application will be considered as having been filed within the 'window.' The Form 471 was submitted on March 26, 2018.

Reason for submitting late:

Due to curriculum changes for next year a realization of needed improvements to support those programs for next year we needed the purchase additional equipment that was not originally planned for. Due to the untimely request we were not able to meet the deadline for submission.

We realize that previous precedent is for the Commission to grant Form 471 deadline waiver requests if the Form was submitted within 14 days of the Form 471 deadline. In light of the reasons stated above, we respectfully request the FCC view these extenuating circumstances as good cause to waive the Form 471 deadline for this application.

Thank you for your consideration of our request.

Respectfully submitted,

Jeffrey Price
Director of Technology
