To Whom It May Concern:

I am requesting a waiver of the filing window deadline for Form 471. Unfortunately, due to a change in responsibilities, the District inadvertently missed the deadline, which was March 22, 2018.

I completed Form 471 on Tuesday, March 27, 2018 and request that the Clayton School District receive a waiver to proceed. The Clayton School District is a small rural school district with limited resources. The discount offered through this process is needed to keep the cost of internet services down.

I can be reached by phone at 715-948-2163, ext. 201 or email at shimonc@claytonsd.k12.wi.us if you need additional information regarding this appeal.

Thank you for your consideration!

Sincerely,

Cathleen F. Shimon
District Administrator
