REQUEST FOR WAIVER OF 471 APPLICATION

Winfield Mt. Union Community School District, BEN# 132673

471: 191041546 (Category 1)

FRN 1999076214: Internet Access

Winfield Mt. Union Community School District, a K-12 public school in Iowa (80% E-rate discount), respectfully requests a waiver of the 2019-20 Form 471 application.

Our district needs an extension to the due date because we were unable to meet the filing deadline of March 27, 2019.

This application contains the all important Internet Access from Iowa Communications Network (SPIN 143003005) for our children and educators and we simply need the discount to continue our work of educating our high risk students.

We are filing this waiver request today because we are unsure of when we will receive an actual OOW – Out Of Window Notification from USAC. We

understand that all documents for 2019 are in the EPC portal, but we don't know when we will receive the OOW.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019, and we look forward to another year of discount on our Internet Access services.

Respectfully submitted this 28th day of March, 2019.
