I am writing regarding an error that was discovered on March 26, 2018 in the filing of Form 471 (Application # 181004973), and to request a waiver be granted for filing past the filing window. The original 470 was filed for fiber service during the 19<sup>th</sup> filing year on application # 160002943. The applicable 471 (181004973) was entered and saved the week of January 30<sup>th</sup>, 2018. The applicable Form 486 was attempted to be entered on March 26, 2018 when it was discovered that the Form 471 had been saved, but not certified. This Form 471 was certified on March 27, 2018, but a notice was communicated that the application filing window had closed and a waiver needed to be filed.

Please e-mail me at [david.lloyd@kenton.kyschools.us](mailto:david.lloyd@kenton.kyschools.us) or call me at 859-957-2645 with any questions.

Sincerely,
