FRNs	1699024812 1699025181
Service Provider (SPIN)	143003990
Appeal Reason	Invoice Deadline Waiver

Appeal Explanation:

In reference to proceeding, CC Docket No. 02-6, The Match Charter Public School would like to seek reconsideration of the denial of our previous appeal for an invoice deadline waiver request.

Due to a major staff transition and reconstruction of our Information Technology department, The Match Charter Public School was unable to submit the necessary BEAR forms needed for retrieval of 2016-2017 reimbursement funds. The Match Charter Public School is requesting to receive at minimum, partial reimbursement for the school's 2016-2017 committed and approved funding.

The general intent of the ERATE program is to provide schools in need with affordable internet access. Approximately 78% of students at the Match Charter Public School are classified as high needs. Many of our students are English Language Learners, special education students, and or economically challenged. The students of the Match Charter Public School use the school's internet to submit online college and FAFSA applications, to receive individualized web based learning opportunities as well as to complete computer based state standardized testing. The Match Charter Public School utilizes ERATE funding to give internet access to its students to help them to succeed in K-12, college and in their future careers.

Sincerely,

Seree Fofana,

Seree Fofana, Match Charter Public School, Information Technology
