**Petition for Waiver of
FCC Form 471 Filing Deadline for Funding Year 2018
RE: FCC Form 471 59718**

I. INTRODUCTION AND SUMMARY

The Shelby County Catholic School serves low income pre-kindergarten through Grade 6 children spanning 2 counties in rural Iowa. Since 2005, Shelby County Catholic School has been a very small but successful participant of the E-Rate program.

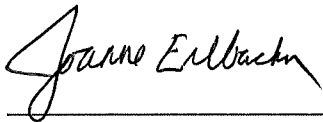

Shelby County Catholic School submitted and certified their Funding Year 2018 FCC Form 471, 181042041, in the "Apply Online" portal of the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company's ("USAC") website, on insert date you filed your Form 471, just 5 days after the FCC Form 471 filing deadline of 2018.

A staff member of the rural Insert Name District works E-Rate into his/her already busy work schedule, and is the sole staff member performing E-Rate duties. Describe here very succinctly why the Form 471 was filed late.

II. Request

The Shelby County Catholic School respectfully petitions the Commission to request a waiver of the Funding Year 20xx FCC Form 471 filing deadline on behalf of the Shelby County Catholic School to allow the Out of Window submission of their E-Rate Funding Year 2018 FCC Form 471 181042041, due to family emergency. I have been filing erate forms 471 in a timely manner for several years on time. This year I did not plan ahead and was taken away for a family emergency during the week of the deadline. I am the only person in our small school in charge of erate filing and there is no other person to assist me. I would appreciate the lenience of 5 days to file this form. Our school and our students have a small technology budget and erate is a great help for us.

Respectfully submitted,
