REF: E-Rate Funding FCC Form 471

To Whom it may Concern

First off I would like to thank you for taking the time to review our waiver request. I am writing to you to request an waiver for our FCC form 471. Are Foundation supports 3 schools Latino College Preparatory College, Luis Valdez Leadership Academy and Roberto Cruz Leadership Academy in the East side of San Jose. Our schools have a high population of Free and Reduced students and ELL students.

Our Foundation is currently going through some personnel changes and the individual that usually handles the 471 application left us and therefore missed the deadline. Would it be possible to receive a waiver so that we can apply for E-Rate funds.
