To Whom It May Concern,

Please accept the following in response to the information requested for the filing of my CC Docket no. 02-6 waiver for Form 471:

1. A statement setting forth the party's interest in the matter presented for review.

On March 28<sup>th</sup>, 2019 I went in to file our Form 471 for the upcoming E-Rate fiscal year beginning on July 1<sup>st</sup>, 2019 and through June 30<sup>th</sup>, 2020. I was alerted to the fact that we were outside the Form 471 filing window, which I believed was still open. I had filed my Form 470 within the time limits and knew that it had to remain posted before filing the 471.

2. A full statement of relevant, material facts with supporting affidavits and documentation.

I attached my Category 1 and Category 2 Form 471 that show the date of completion and certification.

3. The question presented for review, with reference, where appropriate, to the relevant Commission rule, order or statutory provision.

This is in reference to a waiver request for CC Docket No. 2-6.

4. A statement of the relief sought and the relevant statutory or regulatory provision pursuant to which such relief is sought.

The relief that I am seeking is the granting of this waiver for the Form 471's filed yesterday. I would like them to be included in funding for the upcoming year. We have not ever had to request a waiver before for our e-Rate funding, and would ask that you grant this request. Without these funds, the ability to provide quality internet in our district would be severely impacted as we cannot sustain the speed at the current cost without the e-Rate eligible funding.

Thank you,

Dr. Andrew Brooks, Superintendent  
Delavan CUSD #703
