Re: Withdrawal of Request for Extension
WC Docket No. 17-97

Dear Ms. Dortch:

On November 20, 2020, Lumen¹ submitted in the above-referenced docket a request for a limited extension of the June 30, 2021 deadline for implementation of the STIR/SHAKEN call authentication framework for Internet Protocol (IP) networks set forth in Section 64.6301(a) of the Commission's rules ("Request").² By this letter, Lumen hereby withdraws that Request.

Sincerely,

/s/ Randy Clarke

¹ This letter is filed by and on behalf of Lumen Technologies, Inc. ("Lumen") and its regulated subsidiaries.

² Request for Extension filed by Lumen on November 20, 2020 in WC Docket No. 17-97.
