RE: CC Docket No. 02-6 – Waiver of filing window deadline

Dear Sirs:

Please waive the filing window deadline for our filing of form 471. I filed the form 471 – Application #191041570 with a certification date and time of 3/28/2019 4:47 PM CDT. When completing the form I was informed the filing deadline had already closed. Therefore, I am requesting a waiver of the filing window deadline due to needing the additional time to evaluate the responses received to our form 470 requesting the services.

The following information may help to identify the filing of the form 471:
