Petition for Waiver of
FCC Form 471 Filing Deadline for Funding Year 2019
RE: FCC Form 471 191041261

I. INTRODUCTION AND SUMMARY

Silver Falls School District is a public school in Silverton, Oregon and has partnered with Willamette ESD for several years for E-rate consulting services. Silver Falls School District was unable to submit the Form 471 before the March 27th deadline. The following are contributing factors to Silver Falls School District missing the FCC Form 471 deadline for Funding Year 2019.

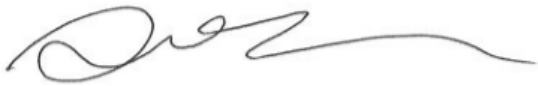

- Contract Delay: Asbestos found during walkthrough of C2 wiring project; only received one bid. Service provider is not licensed to drill Asbestos. Before the Service Provider would sign the contract, they were required to find a third-party provider that is licensed to drill Asbestos.

- Staff changes at Willamette ESD, as well as other factors detailed in the attached document labeled “WESD Letter of Support”
- Slowness of EPC, as well as other factors detailed in the attached document “State E-rate Coordinator Letter of Support”

II. REQUEST

Silver Falls School District respectfully requests the Commission grant a waiver of the Funding Year 2019 FCC Form 471 filing deadline to allow the Out of Window submission of our E-Rate Funding Year 2019 FCC Form 471, application number 191041261, due to the contributing factors listed in the summary above.

Respectfully submitted,

Gina Boyes, E-rate Consultant
