**Petition for Waiver of  
FCC Form 471 Filing Deadline for Funding Year 2018  
RE: FCC Form 471 #142797**

---

**I. INTRODUCTION AND SUMMARY**

The Wasatch County School District serves low income pre-kindergarten through Grade 12 children spanning Wasatch County in rural Utah. Since the very beginning of the program, Wasatch County School District has been a very small but successful participant of the E-Rate program.

The Wasatch County School District submitted and certified their Funding Year 2018 FCC Form 471, #181041664, in the “Apply Online” portal of the Schools and Libraries Division (“SLD”) of the Universal Service Administrative Company’s (“USAC”) website, on insert date you filed your Form 471, just 6 days after the FCC Form 471 filing deadline of March 22, 2018.

A staff member of the rural Wasatch County School District works E-Rate into his already busy work schedule, and is the sole staff member performing E-Rate duties. The Form 471 was filed a

number of times on the night of March 22, 2018. The EPC took me to the certification page several times and finally told me that it had certified. The EPC was very quirky all night and returned me to my landing page several times without saving my input. I believed that my Form 471 had been certified until a colleague at UEN called me today (March 28) and told me my Form 471 was not listed with the certified forms. I hurried and re-did the certification form again and it told me it was certified, but that I was out-of-window.

## **II. Request**

The Wasatch County School District respectfully petitions the Commission to request a waiver of the Funding Year 2018 FCC Form 471 filing deadline on behalf of the Wasatch County School District to allow the Out of Window submission of their E-Rate Funding Year 2018 FCC Form 471 #181041664 due to EPC portal problems.

Respectfully submitted,

---
