Petition for Waiver of
FCC Form 471 Filing Deadline for Funding Year 2019
RE: FCC Form 471 191031813

I. INTRODUCTION AND SUMMARY

North Central Education Service District is a public educational support agency in Condon, Oregon and has partnered with Willamette ESD for several years for E-rate consulting services. North Central Education Service District was unable to submit the Form 471 before the March 27th deadline. The following are contributing factors to North Central Education Service District missing the FCC Form 471 deadline for Funding Year 2019.

- Technology service now provided by a different ESD during the beginning stages of this process

- Cardinal change to bandwidth cause delayed ACD; caused contract negotiation and signature delays
- Staff changes at Willamette ESD, as well as other factors detailed in the attached document labeled “WESD Letter of Support”
- Slowness of EPC, as well as other factors detailed in the attached document “State E-rate Coordinator Letter of Support”

II. REQUEST

North Central Education Service District respectfully requests the Commission grant a waiver of the Funding Year 2019 FCC Form 471 filing deadline to allow the Out of Window submission of our E-Rate Funding Year 2019 FCC Form 471, application number 191031813, due to the contributing factors listed in the summary above.

Respectfully submitted,

Gina Boyes, E-rate Consultant
