Petition for Waiver of
FCC Form 471 Filing Deadline for Funding Year 2019
RE: FCC Form 471 191037528

I. INTRODUCTION AND SUMMARY

Reynolds School District is a public school in Fairview, Oregon and has partnered with Willamette ESD for several years for E-rate consulting services. Reynolds School District was unable to submit the Form 471 before the March 27th deadline. The following are contributing factors to Reynolds School District missing the FCC Form 471 deadline for Funding Year 2019.

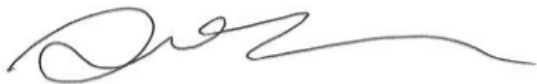

- Contract Delay: Could not negotiate a contract with winning vendor in time, moved to second vendor after 2 PM on March 27, did not process in time
- Staff changes at Willamette ESD, as well as other factors detailed in the attached document labeled “WESD Letter of Support”

- Slowness of EPC, as well as other factors detailed in the attached document “State E-rate Coordinator Letter of Support”

II. REQUEST

Reynolds School District respectfully requests the Commission grant a waiver of the Funding Year 2019 FCC Form 471 filing deadline to allow the Out of Window submission of our E-Rate Funding Year 2019 FCC Form 471, application number 191037528, due to the contributing factors listed in the summary above.

Respectfully submitted,

Gina Boyes, E-rate Consultant
