RE: FCC Form 471 191041097

---

I. INTRODUCTION AND SUMMARY

Kings Valley Charter School is a public charter school in Philomath, Oregon and has partnered with Willamette ESD for several years for E-rate consulting services. Kings Valley Charter School was unable to submit the Form 471 before the March 27<sup>th</sup> deadline. The following are contributing factors to Kings Valley Charter School missing the FCC Form 471 deadline for Funding Year 2019.

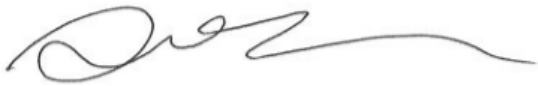

- Contract Delay: Lack of bids, had to extended bid deadline. Short turn around for selection and retrieving signed contract

- Staff changes at Willamette ESD, as well as other factors detailed in the attached document labeled “WESD Letter of Support”
- Slowness of EPC, as well as other factors detailed in the attached document “State E-rate Coordinator Letter of Support”

## II. REQUEST

Kings Valley Charter School respectfully requests the Commission grant a waiver of the Funding Year 2019 FCC Form 471 filing deadline to allow the Out of Window submission of our E-Rate Funding Year 2019 FCC Form 471, application number 191041097, due to the contributing factors listed in the summary above.

Respectfully submitted,

Gina Boyes, E-rate Consultant
