Petition for Waiver of
FCC Form 471 Filing Deadline for Funding Year 2019
RE: FCC Form 471 191041589

I. INTRODUCTION AND SUMMARY

Luckiamute Valley Charter School is a public charter school with campuses in Dallas, Oregon and Monmouth, Oregon and has partnered with Willamette ESD for several years for E-rate consulting services. Luckiamute Valley Charter School was unable to submit the Form 471 before the March 27th deadline. The following are contributing factors to Luckiamute Valley Charter School missing the FCC Form 471 deadline for Funding Year 2019.

- System did not account for second location, had to create a consortia for both entities to receive funding; set up completed February 20, 2019

- Contract Delay: No bids received by deadline, solicited bids and only received 1 official bid. Processed contract and submitted application as soon as possible
- Staff changes at Willamette ESD, as well as other factors detailed in the attached document labeled "WESD Letter of Support"
- Slowness of EPC, as well as other factors detailed in the attached document "State E-rate Coordinator Letter of Support"

II. REQUEST

Luckiamute Valley Charter School respectfully requests the Commission grant a waiver of the Funding Year 2019 FCC Form 471 filing deadline to allow the Out of Window submission of our E-Rate Funding Year 2019 FCC Form 471, application number 191041589, due to the contributing factors listed in the summary above.

Respectfully submitted,

Gina Boyes, E-rate Consultant
