FCC Form 471 Filing Deadline for Funding Year 2019  
RE: FCC Form 471 191041493

---

## I. INTRODUCTION AND SUMMARY

Colton School District is a public school in Colton, Oregon and has partnered with Willamette ESD for several years for E-rate consulting services. Colton School District was unable to submit the Form 471 before the March 27<sup>th</sup> deadline. The following are contributing factors to Colton School District missing the FCC Form 471 deadline for Funding Year 2019.

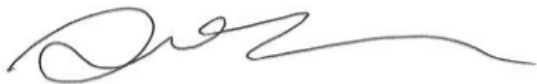

- Weather related school closure days in February and March put us behind schedule for bid evaluations and contract negotiations
- Staff changes at Willamette ESD, as well as other factors detailed in the attached document labeled “WESD Letter of Support”

- Slowness of EPC, as well as other factors detailed in the attached document “State E-rate Coordinator Letter of Support”

## II. REQUEST

Colton School District respectfully requests the Commission grant a waiver of the Funding Year 2019 FCC Form 471 filing deadline to allow the Out of Window submission of our E-Rate Funding Year 2019 FCC Form 471, application number 191041493, due to the contributing factors listed in the summary above.

Respectfully submitted,

Gina Boyes, E-rate Consultant
