Dear Sir/Ma'am:

Panama Public Schools missed the filing window for ERate Form 471. Our Form 470 certification date was February 8, 2018. Our new E-Rate person mistakenly calculated the due date. We would appreciate your leniency in this matter and grant a waiver for our Category 1 and Category 2 Form 471s. We will ensure proper training is given to prevent a future occurrence.

Sincerely,

Grant Ralls

Superintendent
