RE: In the Matter of Schools and Libraries Universal Service Support Mechanism,
CC Docket No. 02-6, Estimate of Demand for Funding Year 2019

Dear Ms. Monteith:

The Universal Service Administrative Company's (USAC's) estimate of demand for the Schools and Libraries Universal Service Support Mechanism discounts for Funding Year (FY) 2019 is \$2.896 billion, of which \$1.91 billion is for Category 1 services and \$985 million is for Category 2 services. This estimate is based on the total amount of funding that was requested in the FCC Form 471 applications received on or before March 27, 2019, the close of the FY 2019 FCC Form 471 filing window (*i.e.*, January 16, 2019 to March 27, 2019). A table showing estimated demand by service type and discount band is also attached to this letter.

I would be happy to answer any questions you may have regarding this information.

Sincerely,

A handwritten signature in dark ink that reads "Catriona Ayer". The signature is fluid and cursive, with the first name "Catriona" being more prominent than the last name "Ayer".

Catriona Ayer
Vice President, Schools and Libraries Division
