TO WHOM IT MAY CONCERN:

This letter is a request to submit our Form 471 191041665 after the filing window was closed. Our Form 470 closed on Wednesday, March 27 while the Liberty County School District was out on spring break. We had seven proposals submitted in total with two of those proposals arriving while we were out. There was no way to complete the evaluation matrix as required after the 28-day period. The staff on the evaluation committee met this morning on our first day back and selected the winning service provider at our earliest opportunity. The Form 471 was submitted earlier today and now we are requesting a waiver on the submitting window.

If you need any additional information, please do not hesitate to contact me.
