Dear Ms. Dortch:

On April 1st, Sprint Corporation ("Sprint") representatives Scott Freiermuth, Todd Williams along with outside counsel Emily Daniels of Lawler, Metzger, Keeney & Logan, LLC, had a teleconference phone call with Bob Aldrich, Eliot Greenwald and Michael Scott from the Consumer and Governmental Affairs Bureau ("CGB").

The purpose of the phone call was to discuss Sprint's pending Petition for Rulemaking regarding IP Relay service and its related Request for Interim

Waivers.<sup>1</sup> Sprint provided CGB with clarification regarding information contained in its waiver filing. More specifically, Sprint explained how the numbers contained in its waiver filing can be tied back to Sprint's annual cost filing made with the TRS Fund Administrator.

This filing is made in accordance with Section 1.1206(b)(1) of the Commission's rules. In the event there are any concerns regarding this filing, please contact the undersigned.

Respectfully,

A handwritten signature in blue ink, appearing to read "Eliot Greenwald", written over a horizontal line.
