REQUEST FOR WAIVER OF 471 APPLICATION

Oskaloosa Christian School

471: 191041724 (Category 1)

FRN 1999076510: Internet Access

Oskaloosa Christian School, a non-public school in Mahaska County, Iowa (60% E-rate discount), respectfully requests a waiver of the 2019-20 Form 471 application.

As a new principal to the state of Iowa, I have never had to go through this process before. I had a difficult time navigating the platform and missed the deadline as a result.

This application contains the all important Internet Access from Mahaska Communication Group (SPIN 143027157) for our children and educators and we simply need the discount to continue our work of educating our students.

We are filing this waiver request today because we are unsure of when we will receive an actual OOW – Out Of Window Notification from USAC. We

understand that all documents for 2019 are in the EPC portal, but we don't know when we will receive the OOW.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019, and we look forward to another year of discount on our Internet Access services.

Respectfully submitted this 3rd day of April, 2019.
