Thunderbird (aka Lakeside) Charter in North Carolina (40% E-rate discount), respectfully requests a waiver of the 2019-2020 Form 471 application and Item 21 deadline.

The employee in charge of e-rate is dealing with medical issues with an immediate family member and was unable to meet the filing deadline of Wednesday, May 27, 2019.¹ The documentation from two vendors for cabling and installation, and access points and switches is uploaded with the OOW application and is included with this Waiver request.

This waiver of the filing deadline is timely filed within the 14-day grace period of the filing window deadline.

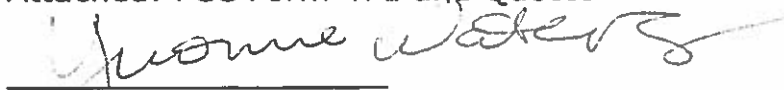

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019 and we look forward to another year of installs, using the NCDPI contracts and state support of the non-discounted portion to update our infrastructure in transitioning to digital teaching and learning.

Respectfully submitted this 2nd day of April, 2019,

Yvonne Waters
