ATTENTION: FCC

I am seeking an "Out-of-Window Form 471 Filing" waiver request because I was not able to file within the filing window start and end dates. I appreciate your consideration. This was my first Form 470 filing and I used the verbiage selected by my predecessor.

I was advised to submit a new Form 470 because it was discovered that my original filing Form 470 FCC Form Number 190019351, BEN 34840 was not completed correctly. Under Category 1: Data Transmission and/or Internet Access, I selected "Internet Access: ISP Service Only (No Transport Circuit Included)". It was brought to my attention that this was incorrect due to changes in the wording expectations.

I was advised by Lyell Walker, State E-Rate Coordinator- Florida, to submit a new Form 470 on March 6, 2019. The FCC Form Number is 190029697, BEN 34840. I submitted the new Form 470 providing the acceptable language for Category 1: Data Transmission and/or Internet Access. I selected Leased Lit Fiber (with or without Internet Access)"

I have waited the required period and now I am ready to complete my File 471 with USAC.

Please accept my "out-of-window 471 filing" waiver request. If you have any questions do not hesitate to contact me.

Thank you,
