Dear Sirs:

We are respectfully requesting a Waiver due to filing our Form 471 after the deadline. Our reasons are listed below:

- We did not receive bids in response to our Form 470 in a timely manner.
- Our school is very small and the cost of high speed internet service is very prohibitive. Thus we are very much in need of our appeal to be accepted.

Thank you for your consideration of this matter.

Sincerely,

Brent Holm
