| Appeal Reason | We were unable to complete vendor selection prior to the close of the Form 471 deadline. |
| Proceeding No. | 02-6 |

Due to the lateness in receiving quotes from vendors, we were unable to evaluate and select a vendor until after the close of the Form 471 filing window. The bid evaluation process was completed as soon as possible, however, it resulted in our Form 471 being file out of window. We request a waiver of rules, and ask that you allow our late filed Form 471 be given a status of "Certified in Window".

Sincerely,
