**Petition for Waiver of  
FCC Form 471 Filing Deadline for Funding Year 2018  
RE: FCC Form 471 132841**

---

**I. INTRODUCTION AND SUMMARY**

The Norris School District ("Norris District") serves low income Grade 8 through Grade 12 children spanning one county in rural Wisconsin. Since 2017, Norris District has been a very small but successful participant of the E-Rate program.

The Norris District submitted and certified their Funding Year 2018 FCC Form 471 #181031915, in the "Apply Online" portal of the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company's ("USAC") website, on April 5, 2018, just 14 days after the FCC Form 471 filing deadline of March 22, 2018.

As the sole staff member performing E-Rate duties for Rural Norris District, I work E-Rate into my already busy schedule. Norris has had a turnover of staff this past year making project

planning difficult. New staff were not up to speed and there was difficulty in coming to a meeting of the minds over what projects should be pursued in the coming year in time for the form 470 filing deadline.

## **II. Request**

The Norris District respectfully petitions the Commission to request a waiver of the Funding Year 2018 FCC Form 471 filing deadline on behalf of the Norris District to allow the Out of Window submission of their E-Rate Funding Year 2018 FCC Form 471 #181031915, due to staff turnover resulting in delayed project planning.

Respectfully submitted,
