To whom it may concern:

On behalf of St. Mary's School, I seek a waiver of the filing deadline for FCC Form 471 Category 2 funding with USAC. I was able to meet the March 22 deadline for filing of our Form 471 Category 1 funding but missed finishing up the certification of our Cat 2 funding in time. I will certify our Form 471 Category 2 funding request today, April 5, 2018 which I understand is within the 2-week extension that may be allowed.

I would appreciate your acceptance of the request. Thank you for the opportunity to make the request.

Sincerely,

Kelly Eckhoff
