Dear Ms. Dortch:

On April 2, 2019, Valerie Green, Executive Vice President and Chief Legal Officer of Ligado Networks LLC (“Ligado”), Justin Lilley of TeleMedia Policy, and the undersigned met with Nicholas Degani, Senior Counsel to Chairman Pai and Rachael Bender, Wireless and International Advisor to Chairman Pai. The parties discussed the critical importance of lower mid-band spectrum such as Ligado’s to the future of 5G. The parties also discussed how well over 1,000 days have passed since Ligado submitted its license modification applications. Finally, the parties discussed how the record before the Commission regarding Ligado’s pending license modification applications is complete and how the Commission may therefore proceed in approving Ligado’s applications.

Please direct any questions to the undersigned.

Sincerely,

/s/ Gerard J. Waldron
