CC Docket 02-6

Mark:

How about door number 2, as it appears (at least according to my boss. Dawn Palermo), that she has now decided to drop this and formally withdraw the appeal with this simple note to that effect, so please disregard..
 Thank you.

Subject: Career Success 997953 (FY 2015)

John,
 Back on 8/16/17 we spoke about your appeal contending that Career Success (997953 – FY 2015) had accidentally omitted about \$23K for installation and \$4K in sales tax associated with its internal connections purchase. You said that you would send a revised narrative and supporting documentation, but I haven't see anything in ECFS for this case. Please let me know whether you

1. Filed material, but maybe it's in a different FCC docket
2. You decided to drop this, or otherwise resolved it, in which case I would appreciate it if you could formally withdraw the appeal with a simple note to that effect.

3. You still intend to file the material

4. You would like us to render a decision based on the current record.

Thanks,
mark
