

ORANGE GROVE INDEPENDENT SCHOOL DISTRICT

April 6, 2018

To Whom It May Concern:

On behalf of the Orange Grove Independent School District (BEN 141594), we are requesting a waiver of our Form 471 being filed after the deadline. It is unfortunate that this deadline was missed; however, we submitted our Form 471 on April 4, 2018 as soon as we became aware that it was necessary. We were under the understanding that if we were continuing services that were approved in the previous year and these services were still under contract, that we were not required to do this and it would be a continuation. We are truly regretful of this action. OGISD appreciates the funding that we have received in the past and it has had a tremendous financial impact on our rural school.

We respectfully request that our Form 471 be considered for funding.

Sincerely,

Tracy Klatt
Technology Director
