RE: In the Matter of Request for Review of the Universal Service Administrator, Schools and Libraries Universal Service Support Mechanism.
CC Docket No.02-6

In re:
Billed Entity Number:
Appellant: E rate Solutions Group
Billed Entity Number:
Appellant: E rate Solutions Group
Applicant: Solomon Schechter Day School Nassau School BEN 17017862
Fund Year: 2018 FCC Form 471: 181042310 (category 1)

Dear Ms. Dortch:

This is a "Letter For a Waiver of the time to file for 471 Apps Fund Year: 2018 FCC Form 471: 181042310 (category 1) due to severe weather issues Nor'easters and various inherent flaws in USAC's EPC system as described in detail in Chairman Pai's April 18, 2017, letter to Chris Henderson of USAC, the USAC EPC ("Epic") Portal system, and USAC as a whole, have "serious flaws." For example:

- There were repeated problems and various outages with the EPC Portal input system, during which users could not access or upload necessary data.
- USAC instituted an arbitrary lock-down of data that prevented the update of filers' account portals.
- Unexplained blocks on the filing of Forms 471 occurred, preventing the necessary filing of forms prior to the close of the filing window, and/or necessitating filing for benefits under an incorrect entity identification.
- Budget Tool did not properly calculate Funding From 2015

The Chairman specifically instructed USAC to "identify alternative options to assist applicants even in the event of IT failures." In our case, such IT failures and other numerous problems evident in the USAC system and structure have prevented our filing of the proper Form 471 prior to the March 22, 2018, filing window closing

Therefore we are formally requesting a Waiver of the time to file to allow USAC to correct the EPC system error which is preventing the filing of the above referenced form 471's since the applications were filed on April 4, 2018 and April 5, 2018 which is within 14 days of the March 22, 2018 filing deadline.

I believe that the intent of the program is to make sure all eligible schools and libraries receive phone, internet access and internal networking equipment maintenance services as well as internal networking equipment. This school should not be penalized due to any delays in providing requested information which was beyond their control. I sincerely hope that this material will be reviewed and the application reviewed on the information previously provided.

Thank you,

Katherine M. Weiss
