

Scott Eckhart

Swink School District
610 Columbia Avenue
Swink, Colorado 81077

To Whom It May Concern,

April 7, 2018

I am requesting a waiver to consider and accept my Form 471 application for the 2018 year. There have been a number of changes in our district with the administration. As well as being the Information Technology Director and an instructor, I have had to take on the additional duties as Athletic Director. Last year the filing date was in April and I thought it was the same. I apologize for the oversight. These funds are very important to our district.

I would ask at this time to please consider and approve the waiver to accept and go over my Form 471.

Sincerely,

Scott Eckhart,

I.T. Director - Athletic Director - STEaM Instructor, Swink School District

Swink School District 33
