We respectfully request the FCC to grant a waiver for our FY2019 Form 471 Filing OOW. We realized 1 day too late that the form was stuck in 'Submit for Certification' in the USAC online filing system, EPC.

The 471 was filed on March 29, 2019, after waiting the full 28 days for our 470. Our 471 form number is 191033269.

Respectfully submitted,

A handwritten signature in blue ink that reads 'Bobby Blount'.
