Record # 2 / Do Not Call Complaints

<p>Reference Number: 26589209</p> <p>Complaint Date: 6/1/2010</p> <p>Complaint Source: National Do Not Call Registry</p> <p>Transaction Date: 6/1/2010</p> <p>Existing Business Relationship?: No</p> <p>Requested entity to stop calling?: Yes</p> <p>Comments: I contacted Amy Weber on 5/27/2010 when faxes were first sent from their office to our two fax numbers -(the other number being (b)(6)). She stated she obtained our numbers from a purchased list. I advised her there was a law against sending unsolicited faxes and she needed to verify with the "do not call registry" before faxing. I asked her on that day to remove both numbers from their "fax" list. No one in this office requested the solicitations. Today I called their "opt-out" number to have both numbers removed from their list because faxes were received again today to both fax numbers. I felt I had given her "fair opportunity" to take action to remove the numbers. I also contacted her via phone and left a voice message to contact me and that I was filing a complaint.</p>	<p>Is Phone in Registry?: Yes</p> <p>Product Service Code: National Do Not Call Registry</p> <p>Complaint Channel: Internet</p> <p>Transaction Time: 11:00:00 AM</p> <p>Pre-recorded message?: No</p>

<p>Reference Number: 26588459</p> <p>Complaint Date: 6/1/2010</p> <p>Complaint Source: National Do Not Call Registry</p> <p>Transaction Date: 5/27/2010</p> <p>Existing Business Relationship?: No</p> <p>Requested entity to stop calling?: Yes</p> <p>Comments: Contacted Amy Weber at 877-649-2827. Informed her we were on the 'do not call registry'. I asked where she obtained our fax number..she said they purchased it. I advised her that in future she needs to check the registry before sending faxes when they purchase lists. I requested she personally take care of this issue to remove our fax number. On June 01, I received another same fax to same fax number and called the 866 247 0920 number to have our number "opted out". I trusted she would have been diligent enough to take of this when I first contacted her on 5-27-2010. I was fair enough to give her an opportunity to have our number removed, but apparently she did not since I received it again today 6-01-2010. I left a voice message today to inform her that I was reporting these unwanted faxes today.</p>	<p>Is Phone in Registry?: Yes</p> <p>Product Service Code: National Do Not Call Registry</p> <p>Complaint Channel: Internet</p> <p>Transaction Time: 11:00:00 AM</p> <p>Pre-recorded message?: No</p>
