## INSTALLATION AND ACCEPTABLE USE POLICY AGREEMENT

I hereby authorize Twin Valley staff and/or contractors to work on the computer system indicated as needed for provisioning service. They may install the necessary material to connect and initiate the service. They may operate the equipment for purposes of testing, trouble-shooting and inspection at my risk. I understand and acknowledge that the act of installing new hardware and or software components on any computer may cause malfunctions to occur, including the possible loss of data and I release Twin Valley from any and all liabilities, foreseen or unforeseen arising out of any such occurrence. Twin Valley recommends that all Internet customers purchase firewall software or hardware to protect against unauthorized access to your computer.

I am solely responsible for compatibility of equipment with Twin Valley system. The company may discontinue service without prior notice if they determine, at their discretion, that use of the service: 1) violates US or state laws or regulations, including any copyright violation, 2) includes communication of a threat, 3) includes sending of unsolicited nuisance messages, or 4) includes abusive communication, or if my use includes providing Internet access to others.

Any customer modification of supplied hardware, either physically or by reconfiguration, that necessitates a service visit by Twin Valley personnel and/or contractors will be considered a chargeable service call. Hardware supplied and its warranties are for defects in materials and workmanship only.

**Early termination fee of \$150 will apply if service is cancelled prior to the expiration of the contract.**
