REQUEST FOR WAIVER OF 471 APPLICATION

---

Hamburg Community School District, BEN 132438

471: 191041809 (Category 1)

**FRN 1999076685: Internet Access**

The Hamburg Community School District respectfully requests a waiver of the 2019-20 Form 471 application.

Our form 471 was delayed in filing due to two factors: (1). We initially filed our form 470 in a timely manner only to discover that we had chosen the wrong form 470 "drop-down" to request fiber Internet. In filing a corrected form 470, we were past the February 27 form 470 deadline which meant our form 471 was delayed. (2). Our community of Hamburg has been severely impacted by the recent flooding of the Missouri River. Our school district personnel have been assisting flooded residents, including their children, with such basic necessities as washing clothes and finding suitable lodging.

Our form 471 contains a request for Internet support via the Iowa Communications Network (SPIN 143003005) for our children and educators. We need the support for Internet so that we have the necessary bandwidth for on-line assessments and educational resources.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019, and we look forward to another year of discount on our Internet Access services.

Respectfully submitted this 8<sup>th</sup> day of April, 2019.
