Entity NO. 131856

Entity Name: Exira Public Library

This is a waiver request from the Exira Public Library. We submitted the 471 Erate application on March 30, 2018 which is 8 days after the March 22, 2018 filing window deadline. We would like to be considered for acceptance. Our library struggles to make our budget stretch through the year. This funding is useful in helping to pay for our service provider charges. We have many patrons that request our internet service. Thank you for your consideration.
