RE: CC Docket No 02-6 Waiver for USAC E-Rate Form 471 Application #191041962

Monte Rio Union Elementary School District is requesting a waiver of the E-Rate Form 471 Filing Deadline of March 27, 2019 for Form 471 #191041962 due to flooding of the Russian River in Sonoma County which required closure of school for the last week in February 2019.

The community of Monte Rio is located in the Russian River area of Sonoma County, California. Continual rains the week of February 25<sup>th</sup>, 2019 caused the Russian River to flood, closing roads and impacting services throughout the area. For safety of students and staff, the District/School was closed from February 25-March 4, 2019.

With no access to the Internet, the District was unable to submit FCC Form 470 prior to February 27, 2019. Upon return to the school following the receding of flood waters, a FCC Form 470 was issued and the required twenty-eight day waiting period was observed. This resulted in the Form 471 being issued after the Form 471 Filing Deadline of March 27, 2019.

Due to flooding, which was beyond the District's control, Monte Rio Union Elementary School District requests a waiver of the filing deadline and allow the Form 471 #191041962 application to be accepted. In making this request, the District, cites the Commission's decision Adopted July 7, 2010, Requests for Waiver and Review of Decisions of the Universal Service Administrator by Academy of Math and Science, Tucson Az.

In communications with E-Rate Help Desk personnel, Monte Rio Union School District was advised to this request for Waiver.

Sincerely,

Rich Tunheim
