REQUEST FOR WAIVER OF 471 APPLICATION

Sidney Schools, BEN 132444

471:191041912 (Category 2, managed services)

FRN 1999076865: Managed services contract of already installed equipment

Sidney Community Schools, a rural school district in Iowa (70% E-rate discount), respectfully requests a waiver of the 2019-20 Form 471 application.

We are seeking a waiver because we made a mistake on the first 470 we filled out. Once the 470 was fixed we needed to wait 28 days for the bids to come in and the 28 days fell outside the 471 deadline.

This application contains managed services of already installed equipment from Spiral Communications (SPIN 143035775) for our children and educators and we simply need the discount to continue our work of educating our students.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019, and we look forward to another year of discount on our Internet Access services.

Respectfully submitted this 9th day of April, 2019.
