471: 191041659 (Category 2); FRN 1999076616

The Missouri Valley Community School District respectfully requests a waiver of the 2019-20 Form 471 application.

Our form 471 was delayed in filing due to the flooding of the Missouri River in our community of Missouri Valley. Our school was closed for two days due to flooding, and I personally have property that was also damaged in the flood.

Our form 471 contains a request for Internet support via the Iowa Communications Network (SPIN 143003005) for our children and educators. We need the support for Internet so that we have the necessary bandwidth for on-line assessments and educational resources.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019, and we look forward to another year of discount on our Internet Access services.

Respectfully submitted this 10<sup>th</sup> day of April, 2019.
