Re: CC Docket No. 02-6

From: Juan Manuel Santos

To Whom it may Concern: Centro Nia School District is respectfully requesting a waiver to the deadline for Funding Year 2019 Form 471 Application completion.

Entity: 17007883

Mailing Address: 1345 University Blvd E, Takoma Park, MD 20912

Phone Number: 301-543-8040

Email: centronia@erateassist.com

Form 471#: 191041565

Reason for Waiver Request: Late-Filed FCC Form 471 Application filed within 14 days of close of the window

Funding Request Numbers (FRN): 1999076255, 1999076256, 199076258

Appeal Information: Centro Nia's Form 471 was filed late due to staff having difficulty getting one of the contracts from the selected vendors in time to submit the application before the deadline. The allowable contract date for the school was the same day as the close of the window and once the vendor selections were made and the winning vendor was notified, they took too long in getting us back an acceptable contract. As a result, the application was filed the day after the deadline but well within the 14 days of window closing.

The E-rate program provides funding that is vital to the school's operation so we are respectfully requesting a one-time waiver of the Form 471 deadline for the above listed Form 471.
