To whom it may concern:

This letter is a formal request for reconsideration of my 471 application #171050066. I failed to submit my application before the deadline on December 15, 2017.

During the time of my application process for the Hurricane relief Order, it was not easy. There were various time I contacted USAC for assistance, which at times did not help since they were also just trying to make do with the little information they had. I did submit the 470 on time and the allowable date was 12/25/2017. During the time of my application, we let out for our 2-week Christmas, break and our superintendent signed out contract on 12/24/2017.

I would appreciate your reconsideration of this application and ask that you consider giving us the opportunity to get funding on the Hurricane Relief Order. If you have any further questions, please feel free to call me 361-777-1089 ext. 5812.

Thank you in advance for your immediate attention to this request.

Sincerely,
Jennifer Hernandez
