**Petition for Waiver of  
FCC Form 471 Filing Deadline for Funding Year 2018  
RE: FCC Form 471 17017192**

---

**I. INTRODUCTION AND SUMMARY**

The Holy Hill Area School District (“Holy Hill Area District”) will serve pre-kindergarten through Grade 8 students. Holy Hill Area School District is a yet-to-be-opened rural school district in Southeastern Wisconsin. We look forward to being a successful e-Rate partner.

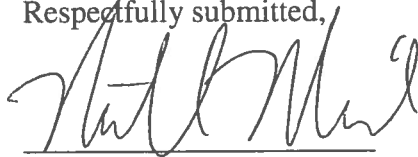

The Holy Hill Area District submitted and certified their Funding Year 2018 FCC Form 471, 181042524, 2018 Form 471 filing deadline. A staff member of the rural Holy Hill Area School District works E-Rate into his already busy work schedule, and is the sole staff member performing E-Rate duties for multiple districts. In addition he is responsible for IT in multiple districts. For the 2018 funding year Friess Lake and Richfield Schools are merging into this one school district. There is much work to get done and the final pieces from USAC were finalized on the date this letter was sent out. A new BEN number was created this year for the new

district. Much work went into just getting a BEN, as we needed new tax information for the district before we could register with the FCC. There was a lot involved in creating a new district.

## **II. Request**

The Holy Hill Area School District respectfully petitions the Commission to request a waiver of the Funding Year 2018 FCC Form 471 filing deadline on behalf of the Holy Hill Area School District to allow the Out of Window submission of their E-Rate Funding Year 2018 FCC Form 471 181042524, due to district consolidation work.
