## Common Questions

Below are a few questions our customers most commonly ask. For more eFax questions, please visit our [FAQ](#) page.

### Can I choose my fax number?

Yes, with eFax you can choose your own local, toll free or international fax number. We offer fax numbers throughout the world. You can also easily transfer over your current or existing fax number to your eFax account.

**Can I have more than one fax number?**

Yes, your eFax account allows you to have up to 10 fax numbers.

**Is it possible to upgrade my plan?**

Yes, upgrade anytime by logging into your eFax account. Upgrade your account to send and receive more faxes, add fax numbers, or save money by switching to an annual plan.

**What happens if I run out of monthly pages?**

Don't worry, we'll always send out your faxes. If you run out of your monthly pages, then it's only 10¢ a page for U.S. and Canada. International send rates will vary by country, click [here](#) to view all.
