**PPL ELECTRIC UTILITIES CORPORATION'S SUPPLEMENTAL  
RESPONSES TO COMPLAINANT'S FIRST SET OF INTERROGATORIES**

Defendant PPL Electric Utilities Corporation ("PPL"), pursuant to the Notice of Formal Complaint issued February 14, 2019 by the FCC Enforcement Bureau in this proceeding and pursuant to Section 1.730 of the Commission's Rules, 47 C.F.R. §1.730, submits the following Supplemental Responses to the First Set of Interrogatories of Complainant MAW Communications, Inc. ("MAW") to PPL.

**INTERROGATORY NO. 1:**

Identify any and all documents in your possession created on or after June 1, 2015 relating to the removal of MAW facilities attached to PPL poles.

**RESPONSE:** See Exhibit B. PPL continues to search for responsive documents and will supplement this Response as appropriate.

**INTERROGATORY NO. 2:**

Identify any and all documents in your possession created on or after June 1, 2015 relating to requests made by MAW to access facilities attached to PPL poles, including any decisions by PPL to deny such requests.

**RESPONSE:** See Exhibit B. PPL continues to search for responsive documents and will supplement this Response as appropriate.

**INTERROGATORY NO. 3:**

Identify any and all documents in your possession created on or after June 1, 2015 relating to MAW lines or equipment with recorded conditions or defects that would reasonably be expected to endanger human life or property.

**RESPONSE:** See Exhibit B. PPL continues to search for responsive documents and will supplement this Response as appropriate.

**INTERROGATORY NO. 4:**

Identify any and all documents in your possession relating to the Engineer's Report of the Safety of MAW Communications Fiber Optic Cable Installations prepared by Daryl L. Ebersole, P.E., and Jeffrey M. Kobilka, P.E., Robson Forensic — The Experts, dated January 7, 2018.

**RESPONSE:** See Exhibit B. PPL continues to search for responsive documents and will supplement this Response as appropriate.

**INTERROGATORY NO. 5:**

Identify any internal documents and or studies created by PPL or at the direction of PPL or consulted by PPL on or after June 1, 2015 concerning all-dielectric self-supporting ("ADSS") cable and or fiber service drop cable and or ADSS service drop cable as it relates to the National Electric Safety Code ("NESC") and or PPL's service drop attachment policy and procedures.

**RESPONSE:** See Exhibit B. PPL continues to search for responsive documents and will supplement this Response as appropriate.

**INTERROGATORY NO. 6:**

Identify any and all documents in your possession created on or after June 1, 2015, pertaining to NESC Rule 238, Table 238-2, as it related to MAW's attachments.

**RESPONSE:** See Exhibit B. PPL continues to search for responsive documents and will supplement this Response as appropriate.

**INTERROGATORY NO. 7:**

Identify all documents pertaining to the definition of "Service Drop Attachment" as that term is used in the parties' Pole Attachment Agreement.

**RESPONSE:** See Exhibit B. PPL continues to search for responsive documents and will supplement this Response as appropriate.

**INTERROGATORY NO. 10:**

Identify each person who furnished information used to respond to these interrogatories, stating, with respect to each person, the interrogatories for which he or she provided information.
