USAC	<p>Thank you for contacting USAC regarding the status of your appeal. We had experienced preliminary system issues which, in some cases, prevented the processing of funding year 2016 appeals within EPC. The system issues have been addressed and we have been actively processing those appeals.</p> <p>Your appeal is currently under review. Should USAC have questions while processing your appeal, they may contact you. In order to prepare we advise you to consider the following:</p> <ul style="list-style-type: none">□ Have all documentation to support the appeal, including forms and previous correspondence.□ Respond to requests for additional information in a timely manner.□ Always let us know if you need additional time to respond. <p>Once our review of your appeal is complete, we will issue a Revised Funding Commitment Decision Letter (RFCDL), which will provide information about next steps.</p> <p>We are working diligently to successfully process all appeals and you should receive further information soon.</p> <p>If you have any questions, please contact the Client Service Bureau (CSB) at 1-888-203-8100 or add your question within the EPC customer service case.</p>	2/15/2018 7:15 AM EST
