To Whom It May Concern:

Columbia County Public Library certified their Funding Year 2018 FCC Form 471 #181019901 in the EPC portal of the Schools and Libraries Division of the Universal Service Administrative Company's (USAC) website on April 10, 2018.

The Library originally filed a Form 470 on January 11, 2018, but, in the process of reviewing bids received in response to the Form 470, discovered an error in the minimum and maximum capacity requested for services at our West Branch Library location. In an effort to ensure compliance with FCC rules, we posted a new Form 470 on March 9, 2018, correcting the error. When the required 28-day period following the certification of the second Form 470 ended, the Form 471 filing window had closed. We filed Form 471 #181019901, following applicable program rules, on April 10, 2018, and now respectfully request a waiver of the Funding Year 2018, FCC Form 471 filing deadline. Thank you for your consideration.

Sincerely,

Katrina P. Evans
Director
