**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live on a street where everyone but me has internet. All the big ISPs have refused me service, this is why we need competitive business in the internet world so that every American can have access to the internet. We cant not let America fall behind all the other nations just because we dont have internet!
